

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. WASHINGTON:  
WILLIAM A. HARRIS, PRINTER.  
1859.

Reg. 3 1862, Nov. 24.  
Gift of  
Hon. Charles Sumner,  
of Boston.  
(Class 91830.)

RESOLUTION requiring the Secretary of State to compile and print, once in every two years, a register of all officers and agents, civil, military, and naval, in the service of the United States.

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,* That once in two years a register, containing correct lists of all the officers and agents, civil, military, and naval, in the service of the United States, made up to the last day of September of each year in which a new Congress is to assemble, be compiled and printed, under the direction of the Secretary for the Department of State. And to enable him to form such register he, for his own department and the heads of the other departments, respectively, shall, in due time, cause such lists as aforesaid, of all officers and agents, in their respective departments, including clerks, cadets, and midshipmen, to be made and lodged in the office of the Department of State. And the said lists shall exhibit the amount of compensation, pay, and emoluments allowed to each officer, agent, clerk, cadet, and midshipman, the State or country in which he was born, and where employed.

2. *Resolved,* That the Secretary of the Navy subjoin to the list of the persons employed in his department the names, force, and condition, of all the ships and vessels belonging to the United States, and when and where built.

3. *Resolved,* That five hundred copies of the said register be printed; and that, on the first Monday in January, in each year when a new Congress shall be assembled, there be delivered to the President, the Vice President, each head of a department, each member of the Senate and House of Representatives of the United States, one copy of such register; and to the Secretary of the Senate and Clerk of the House of Representatives each, ten copies for the use of the respective Houses; that twenty-five copies shall be deposited in the Library of the United States, at the seat of government, to be used like other books in that library, and that the residue of the said copies be disposed of in such manner as Congress shall from time to time direct.

4. *Resolved,* That, for the information of the present Congress, such register as aforesaid be prepared and distributed as aforesaid on the first day of its next session.

Approved April 27, 1816.

RESOLUTION respecting the Biennial Register.

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,* That, in addition to the matter heretofore contained in the Biennial Register, published by direction of a joint resolution passed on the twenty-seventh of April, one thousand eight hundred and sixteen, there shall be included a correct list, in the next register, of all printers of the laws of the United States, subsequent to the thirtieth of September, one thousand eight hundred and thirty-one, to the thirtieth September, one thousand eight hundred and thirty-three, with the compensation allowed to each; and of all printers, within the period aforesaid, in any way employed by Congress, or by any department or officer of the government, with the compensation allowed to each, designating the department or officer causing the printing to be executed; and that said register shall contain a correct statement of all allowances made by the Postmaster General, within the period last aforesaid, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract, and the sum as additional allowance. And to enable the Secretary of State to comply with this resolution, the several heads of departments, and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists and the matter thereby required to be added to be lodged in the office of the Department of State, as is directed in other cases by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.

*Resolved,* That said register shall contain a correct list of the presidents, cashiers, and directors of the Bank of the United States and its branches, in office on the thirtieth of September, eighteen hundred and thirty-three; which list shall be transmitted by the president of said bank to the Secretary of State by the first Monday of October, one thousand eight hundred and thirty-three.

*Resolved,* That all Biennial Registers, under the said resolution of April twenty-seventh, one thousand eight hundred and sixteen, shall hereafter be compiled and published conformably to the principles therein and hereby established.

Approved July 14, 1832.

---

Extract from the Civil and Diplomatic Bill, approved 3d March, 1851, relative to the insertion of an additional column in the Biennial Register for 1851.

"That an additional column be inserted therein, showing the State or Territory from which each person was appointed to office: *And provided, further,* That one copy of the same be sent to each of the secretaries of state of the States."
